To the maximum extent allowed by law, we release, hold harmless, and agree to indemnify the General Council of the Assemblies of God, and its affiliated ministries, and any Assemblies of God church and/or District Council, and any Assemblies of God school, college or university and their officers, directors, employees, volunteers, and agents, from and against any present or future claims, losses, liabilities, costs and expenses for injury to person or property, or for any other damage, which our child may suffer, or for which our child may be liable to any other person, related to our child's participating in said activities, resulting from any cause, including but not limited to negligence on our child's part or on the part of any of the released parties; provided that this release of liability shall not apply to gross negligence or willful or wanton misconduct. The authorized on-site representative is responsible for obtaining proper medical forms for each student and other leaders.

This authorization and consent includes any use of such photographs, motion pictures, audiovisual works or voice reproductions without regard to any distortion, alteration, or retouching whether intentional or otherwise. The use and exploitation hereunder may be in any medium now or thereafter known or developed for illustration, promotion, advertising, trade or any other purpose whatsoever, whether accompanied by printed matter or otherwise. I I/We understand that the Child's mage may be edited, copied, exhibited, published, or distributed and waive the right to inspect or approve the finished product wherein the Child's likeness appears. Additionally, I/We waive any right to royalties or other compensation arising or related to the use of the Child's image or recording. I/We agree that GC may use such images of the Child with or without the Child's name and for any lawful purpose, including for example such purposes as publicity, illustration, advertising, and web content.

There is no time limit on the validity of this release nor is there any geographic limitation on where these materials may be distributed.
