

2023 National Fine Arts Festival Provided Equipment

This equipment list is provided as a courtesy. The National Fine Arts Festival reserves the right to reduce or eliminate equipment at any time (except where provided for in the 2023 NFAF Rule Book). Every effort is made to provide listed equipment for all presentations. However, be prepared to adjust your presentation accordingly. District festivals may have their own equipment that does not match the national provisions listed below. Please contact your district office for equipment information.

*Kappa Tau categories will have the same equipment as their respective counterparts

Dongles are not provided for any Fine Arts presentations.

(CONTINUED ON THE NEXT PAGE)

† A guitar amp emulator is not a physical guitar amplifier. Guitars for all categories (except for Guitar Solo) will plug into the pedal board. Out of the pedal board, an XLR cable will send to the mixer, then send to the main speakers. Guitar Solo will have a physical guitar amplifier.

** The puppet stage will be set and will remain set to the following dimensions: front 4'6" x 6' long and deep; back 5'10" x 18' long

***The room for dance presentations will have a parquet flooring.

"For presentations requiring audio, the NFAF only provides 3.5mm (1/8") audio plugs. Participants are responsible to bring a suitable device with 3.5 mm (1/8") audio jack in order to play their tracks." -**NFAF Rulebook Pg. 14**

*Adapter "dongles" for cell phones are not provided by the NFAF and if needed, **must** be provided by participant.*
